We the undersigned represent 100% of the lot owners that surround the undeveloped Gould Street between South Enterprise and Railroad Avenue.

Each of the current or previous lot owners have performed all maintenance and repair of this area for more than 40 years.

People are driving, walking, and otherwise trespassing through our properties, in many cases leaving ruts and debris that is up to the lot owners to repair and maintain. There have been numerous complaints, some involving BG Police.

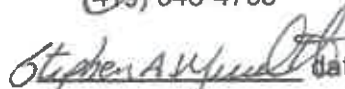

We are requesting that Gould be vacated between South Enterprise and Railroad Avenue and be apportioned equally to each of the four lot owners so that each may secure, protect, and have beneficial use of this area.
