Inspections will be made on the existing sanitary and/or storm sewer taps. Guidance will be provided on the plugging of these taps.

All related inspection fees performed by City Engineering employees are the responsibility of the demolition contractor and/or the property owner to pay.

All excavations, depressions, and basement areas will be covered with earth unless such area is to be used as a parking lot, in which case a separate permit will be required. The area will then have to be either asphalt or concrete.

The owner and contractor, or his successor or assigns will hold free and harmless the City of Bowling Green, Wood County, Ohio and the Director of Public Works of said City, and the public of said City, from any injury or damage caused to any person or persons, public or private by reason of this demolition.

Said demolition shall not remain on the public street after sunset of the day on which it is on which it is demolished.

I further agree that no damage shall be caused by this demolition or the equipment used to perform this demolition to any adjacent public streets, sidewalks or any City infrastructure. Any damage to public streets or sidewalks shall be repaired at the expense of the demolition contractor.

I AGREE THAT THE BOND AND/OR LIABILITY INSURANCE POLICY ATTACHED TO THIS APPLICATION IS FOR THE PURPOSE OF PROTECTING PUBLIC OFFICIALS AND ASSUMING THE LIABILITY FOR DAMAGE CAUSED TO PUBLIC TRAVEL AND PRIVATE OR PUBLIC PROPERTY OR TO ANY PERSON OR PERSONS, PUBLIC OR PRIVATE BY REASON OF THIS DEMOLITION.

I HEREBY DECLARE AND AFFIRM THAT ALL THE INFORMATION ATTACHED IS TRUE AND CORRECT.
