### CERTIFICATION

As a contractor, you are required to comply with the Stormwater Pollution Prevention Plan (SWP3) for any work that you perform on-site. Any person or group who violates any condition of the SWP3 may be subject to substantial penalties or loss of contract. You are encouraged to advise each of your employees working on this project of the requirements of the SWP3. A copy of the SWP3 is available for your review on site. Each contractor engaged in activities at the construction site that could impact stormwater must be identified and sign the following certification statement:

***I certify under the penalty of law that I have read and understand the terms and conditions of the SWP3 for the above designated project and agree to follow the practices described in the SWP3.***
