

Your Gift Will Make A Difference

MUNI-PAL

DOING THE MOST GOOD™

The MUNI-PAL program was developed by The Salvation Army in cooperation with the City of Bowling Green as a way for customers to help one another with local utility bills during crisis situations. All money that is donated by our customers is forwarded to the local Salvation Army to assist people in need.

MUNI-PAL IS A PROGRAM THAT:

- Impacts your town 100% by assisting your neighbors in financial hardship.
 - Keeps utilities on & provides dollars for other emergency needs.
 - Gives you an opportunity to change your community.

You can donate to MUNI-PAL one time only or monthly.

Please check the option that works best for you.

THANK YOU FOR CARING
